DENIES CAMP WATER Another Reading Course For U. S. Citizen Soldiers

(Issued by the War Department to The Washington Herald.) Editor's Note.—This course of thirty daily lessons is offered to the men selected for service in the National Army as a practical help in getting started in the right way. It is informal in tone and does not attempt to give binding rules and directions. These are contained in the various manuals and regulations of the United States Army, to which this Course is merely introductory. The lessons will appear daily in The Herald.
